

Oldest Saddle Club in Idaho
Founded in 1949

P.O. Box 1683
Lewiston, Id 83501

Dear Business Owner/Manager:

We are writing to you today regarding a wonderful advertising offer for you and your business. If you already are a signboard holder with the 49ers Saddle Club, we **thank you very much for your support and sponsorship**, and we would like to continue advertising for you, and ask that you renew your signboard for this year, **2013**.

If you do not currently have a signboard with us, and would like to purchase one, you may do so. You can purchase a 4'X 8' colorful signboard with your business logo, phone address, ect. It will be displayed at the 49ers Saddle Club grounds Tammany arena for one year. We have a wonderful sign maker that would love to get started on your signboard today. These signs are seen every day by many people, regular commuters to Lewiston/Clarkston valley and all who attend events at the 49er's arena and Lewiston Roundup grounds.

With out the support of our local businesses, we would not be able to keep our local club going. We have many events at our club that we need to support with awards for the families, and the sign boards help to make that happen. We would like to see this continue to be a positive place for the whole family to enjoy.

We thank you for your support for our club!

Cost for a new signboard is: \$210.00

Cost for signboard, a one year renewal: \$130.00

This is a very inexpensive way to advertise, for a sign this size, quality and exposure. Signboards are run from April to the following April of the upcoming year. So if we need to make changes, or make a new signboard for you please let us know so we can have our artist start on it right away, Thank-you.

Please send your check for \$_____ To:
(Include information to be put on the signboard please)
