September 2015 Newsletter

49er's Web Site: www.49ersaddleclub.org

The September monthly meeting is rescheduled for Monday, September 21 at 7:00 PM at the club house.

Our club has donated \$200 to purchase supplies and necessities for the fire fighting efforts in our area.

Free Barrel Racing Workshop

The 49er's Saddle Club is offering a **FREE** barrel racing workshop for any and all who are planning to compete in the amateur barrel race at the Lewiston Roundup. (Only those planning to compete, please.) Monday – Labor Day – September 7, 2 PM – 5 PM – at the 49ers Arena on Tammany Creek Road, Lewiston. This is just before the barrel race being held at our arena on this date.

We have several well qualified successful barrel racers who will be there to advise and instruct.

There are reasons why horses hit barrels.

There are reasons why horses turn too tightly.

There are reasons why horses run by barrels.

We will help you understand why these things happen, and how to avoid them.

No sign up required – just be there.
