

49er's Saddle Club

October 2015 Newsletter

49er's Web Site: www.49ersaddleclub.org

The November monthly meeting is scheduled for Monday, November 9 at 7:00 PM at the club house.

Elections:

A nominating committee has been established to solicit nominations for officers and one board member to serve in 2016. Members of the committee are Jody Mallory, Carolyn Cook, and Sharon Peterson. They will be contacting you, every adult member, to ask if you will be willing to serve the 49er's Saddle Club as an officer or as a board member. Nominations are to be presented at the November meeting, and the nominated parties are expected to be present to validate their nominations. Elections are scheduled for the December meeting and Christmas party.

We need your help. All of the current officers have held their positions for 6 years now. It is time for other members who have enjoyed using the club's arena and facilities to step up and help with the administration duties. The current officers will all be available to consult with on how things were handled previously.

President Ken would like to call your attention to the following pledge which is a part of the membership form that every member has signed and agreed to:

I am aware this is a member owned facility and understand the need and responsibility to join in the stewardship of the grounds and facility by actively participating in its upkeep and activities. I (We) agree to actively engage in the maintenance of the facilities and/or activities of the Club.

Royalty:

Young girls who are club members, and who are interested in serving as 49er's Royalty are asked to submit a Royalty Application to the secretary, Crystal Moore. The Royalty Application form is available from our web site. Also - we are in need of a chaperone for the 2016 year.

Christmas Party:

The Christmas party and December meeting with election of officers is scheduled for Sunday December 20 at 4:00 PM at the club house. We will have our traditional potluck, and the club will provide a ham. More information will follow at a later date.

ISCA Omoksee:

The 49ers Saddle Club has submitted a proposal to host the Idaho State Omoksee in 2016. If our facility is selected, the ISCA board would rent our facilities and run the show, and we would run the 49er Diner.
